Members, your chamber is always looking for ways to provide more value to you while increasing our service to the community. Today, I am devoting my column to an exciting new use of technology we are pleased to offer you. It is a Smart Phone application that highlights chamber member businesses, helps prospects find you and makes it easier for you patronize your fellow members. And it is absolutely free. Introducing My Chamber App your mobile Chamber member directory (for iPhone, Droid and Blackberry phones). Follow these simple steps to get started:

## STEP 1

the information is  
people find your

Go to your phone's app store and search for "My Chamber App" or visit [www.mychamberapp.com](http://www.mychamberapp.com) from your mobile browser. Then download the free app.

Use the search button to find your company's listing to make sure correct. Also make sure we have your physical address to help place of business. Send any corrections to

[jcraven@minneapolischamber.org](mailto:jcraven@minneapolischamber.org)

## STEP 3

Encourage your employees and  
colleagues to download the app. This is a  
great way to give business to chamber  
members.

## STEP 4

All chamber members receive a basic  
listing with company name, category,  
primary phone number, address,  
directions and one keyword. Your business can upgrade its  
listing with additional features such as discounts, top  
placement, logos and other images, a video, link to your  
website and extra keywords. [Click here for more details.](#)

## STEP 5

Use the app to find products and  
services you need!

Studies show that people much prefer to do business with  
Chamber members. This new application makes it easier for  
them to do so. [Here is a link to more information](#)

Our survey found that 77% of you have a smart phone. Now  
you can make it even "smarter." [Download mychamberapp  
now.](#)
